OUR AIM REMAINS TO PROVIDE A HAPPY, HEALTHY, SAFE, INCLUSIVE AND FRIENDLY ENVIRONMENT FOR YOU TO FLOURISH AND GROW – NOW, AND INTO THE FUTURE.

LINCOLN COLLEGE IS COMMITTED TO THE HEALTH, WELLBEING, AND SAFETY OF OUR RESIDENTS AND STAFF

Lincoln College continues to work with the advice provided by SA Health, the Federal Government, and South Australian universities in managing the risks associated with the current COVID-19 outbreak.

While we are currently open, we are proactively taking steps to ensure the service we provide continues to keep the health, wellbeing, and safety of all our residents at the forefront of what we do.

Steps we are currently implementing include:

- Reinforcing best-practice health and hygiene procedures, including signage, hand washing procedures, and access to hand sanitizer. Lincoln College staff have increased the frequency of cleaning for surfaces in common areas and are working with all people on-site to implement preventative measures.
- Lincoln College has also postponed all business-related domestic & international travel and has requested that all staff and residents declare any personal journeys.
- We have introduced measures to limit the number of people in our shared and dining areas, and split the dining session into two groups, while extended the time to accommodate this.
- We are also implementing measures for students and staff to follow social distancing

THANKS FOR YOUR SUPPORT

We are committed to nurturing the academic and future success of our residents. But, more than that, we take the overall happiness, comfort, and security of our residents very seriously. That's why we're following all available advice and considering every scenario as this pandemic unfolds. We will continue to respond to this rapidly changing situation, and thank you for your support during this period.
